PROFESSIONAL EXPERIENCE

SEPTEMBER / 2017
PRESENT
Web Manager @ Pinnacle Advertising
I enhance digital marketing ROI for clients through custom solutions, including website and ecommerce management, email marketing, display ads, web development, social media, and video. Additionally, I offer internal solutions to boost corporate production efficiency.

SEPTEMBER / 2015
SEPTEMBER / 2017
Web & Multimedia Director @ Advocate Health Care
I led the creative process from ideation to execution, creating engaging multimedia content and responsive websites, collaborating on cutting-edge enhancements, and analyzing engagement metrics.

DECEMBER / 2014
SEPTEMBER / 2015
Digital Director @ Garvey's Office Products
I oversaw digital strategy development aligned with business goals, produced online video content, and collaborated with C-suite executives to craft visual narratives that enhance brand recognition and loyalty.

NOVEMBER / 2012
DECEMBER / 2014
Digital Director @ Rocklin Irving Marketing
I develop and maintain responsive websites and web applications using HTML, CSS, JavaScript, and PHP, collaborate with automotive CMS vendors like Dealer eProcess and Dealer.com, and manage both front-end and back-end tasks including UI/UX design, database architecture, server configuration, and API integration.

SEPTEMBER / 2007
NOVEMBER / 2012
Art & Advertising Director @ Roscor Corporation
Leveraging HTML, CSS, JavaScript, and PHP, I develop responsive web solutions, collaborate with automotive CMS vendors like Dealer eProcess and Dealer.com, and cover all development phases from UI/UX to server setup and API integration. Managed both front-end and back-end tasks including UI/UX design, database architecture, server configuration, and API integration.

ACADEMIC EDUCATION

1992
1995
Graphic Design @ Triton College
Associate in Applied Science
